

INVITATION

FEBRUARY 11 AND 12, 2026

Dear Sir or Madame,

We are pleased to invite you to the International Conference for Brain Health Services on **February 11th, 2026, from 1:30 to 6pm and February 12th, 2026 from 8:30am to 1:00pm** at the Auditoire Marcel Jenny (University Hospitals of Geneva, Rue Gabrielle-Perret-Gentil 4, 1205 Genève)

Following the first conference dedicated to the implementation of Brain Health Services in 2024, this second international meeting highlights the progress made - from the development of the initial protocol to its integration into routine clinical practice. It provides a unique opportunity to share experiences and insights from European memory clinics actively involved in this key stage of implementation.
